

5470 Vinyl Preferred View Sliding Glass Door

The 5470 EnergyVue® Preferred View Sliding Glass Door is created to bring comfort and confidence. Offering smooth operation, enhanced security features, and spectacular outdoor views from your living room or primary bedroom. Up to eight glass door panels move horizontally along lower tracks. Expansions of up to 40' for uninterrupted views and a great source of natural light. You'll feel the confidence of quality each time you open them and the comfort of superior insulation when they're closed.

PERFORMANCE FEATURES

- Ease of Operation - Heavy-duty hardware and tandem rollers provide easy opening.
- Low Maintenance - High-quality vinyl is easy to clean and resistant to scratching, warping, and other damage.
- Durable - Sturdy vinyl frame provides added strength and allows for larger door sizes.
- Added Security - Dual-point locking system restricts panels from being lifted off the tracks.
- Energy Efficient - Multi-chamber frame provides outstanding energy savings that can lower energy bills.

Sliding Glass Door

Ease of Operation

Rollers provide smooth and durable movement

Maximizes Viewing Area

Low-profile construction and modular configuration minimize visual obstruction and enhance your view
