

5570 Sliding Glass Door (Narrow Style)

This PGT® WinGuard® Preferred View Sliding Glass Door is designed to disappear into your surroundings. The Narrow Style sliding glass door invites the outdoors in with expansive style. It's one of the narrowest panel profiles on the market at nearly half the standard width - just 2.5 inches.

PERFORMANCE FEATURES

- Features narrow panel profiles on all sides - just 2.5 inches.
- Up to eight glass door panels move horizontally along tracks with heavy-duty quad rollers for easy fingertip operation.
- Dual-point locking mechanism provides added security by restricting panels from being lifted off the tracks.
- Low Maintenance - Premium vinyl and impact-resistant glass deliver performance for years to come.

Preferred View Sliding Glass Door

Dramatic Views

Invite the outdoors in with this expansive style

Maximum Performance

Features narrow panel profile designed to disappear into your surroundings without compromising impact strength

WinGuard SGD5570NS (Impact-Resistant)
